

REMARKABLE CASE of Mrs. HAM

Declares Lydia E. Pinkham's
Vegetable Compound
Saved Her Life
and Sanity.

Shamrock, Mo.—"I feel it my duty to tell the public the condition of my health before using your medicine. I had falling, inflammation, female weakness, pains in both sides, backaches and bearing down pains, was short of memory, nervous, impatient, passed sleepless nights, and had neither strength nor energy. There was always a fear and dread in my mind, I had cold, nervous, weak spells, hot flashes over my body. I had a place in my right side that was so sore that I could hardly bear the weight of my clothes. I tried medicines and doctors, but they did me little good, and I never expected to get out again. I got Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I certainly would have been in grave or in an asylum if your medicines had not saved me. But now I can work all day, sleep well at night, eat anything I want, have no hot flashes or weak, nervous spells. All pains, aches, fears and dreads are gone, my house, children and husband are no longer neglected, as I am almost entirely free of the bad symptoms I had before taking your remedies, and all is pleasure and happiness in my home."—Mrs. J. HAM, R. F. D. 1, Box 22, Shamrock, Missouri.

—Shakespeare
That's where we have the spectacle business—at our finger's ends. That's the secret of our success; just a little ahead, never behind.

In this day of defective sight, neither young nor old should wear glasses unless fitted by one who has all the details of the science right at his finger's ends.

We are thoroughly familiar with the eye and its needs.

THREE MEMBERS OF FACULTY AT PUNAHOU PLEASE

The second of a series of musicales given by the Punahou faculty, took place Saturday night in Charles R. Bishop hall. The participants were Miss Helen G. Cadwell, vocalist; Miss Sutherland, pianist, and Miss Maud Hastings, reader. The audience, though not large, was very enthusiastic.

The first numbers on the program were a group of vocal solos given by Miss Cadwell, who has a voice of great beauty and purity, to which she adds individuality and artistic perception. The next number on the program was the Carl von Weber Sonata, Opus 70, given by Miss Sutherland, who is a pianist of exceptional talent. Next to appear on the program was Miss Maud Hastings, reader. Throughout her reading of the "Man in the Shadow," by Richard Washburn Child, she held her audience spellbound. She responded to the insistent applause with a pretty little encore.

Miss Cadwell was splendidly accompanied by Miss Margaret Clarke, whose support and sympathy were complete.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

When Cross, Feverish and Sick
Give "California Syrup
of Figs"

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv.

BIG WEEK AT HEINIE'S TAVERN

There will be a dinner-dance at Heinie's tavern on Tuesday evening for the benefit of the passengers and officers of the Wilhelmina, which will arrive on that morning. The great army and navy football game will be a topic for discussion by local officers and their ladies, who are cordially invited, as well as the society folk of Honolulu. Tables may be reserved for Thanksgiving dinner by phoning the manager—phone 4986.—Adv.

"MARK TWAIN TREE" TO BE RALLYING POINT

Exercises of an impressive nature are to be held by the people at Waiohine, Kau district, Hawaii, on November 30 in commemoration of the birthday of Samuel L. Clemens (Mark Twain), according to advices which have been received by Henry W. Kinney, superintendent of public instruction. The day also will be generally observed in the schools of the territory.

Waiohine boasts of a monkey-pod tree which was planted by Mr. Clemens in 1868, when the famous humorist visited the little village. It now stands in the front yard of the residence of Samuel Kaubane, chairman of the Hawaii supervisors, and is an excellent specimen of the tree. It is known as the "Mark Twain" tree.

The custom has been started in some western cities of printing the maiden name of a woman after that of her husband in the directory.

Governor Pinkham, General Johnson and Lieut.-col. Riley will deliver short addresses, and a vaudeville program will follow. Among the vaudeville numbers is a sketch by Dan Casey and Roy Stoddard, an exhibition by the Filipino "mail dancers and glass eaters," music by the Filipino orchestra, two sparring matches and much singing and dancing.

Six more companies of National Guard on the island of Hawaii were sworn in last week by Brigadier-General Samuel I. Johnson. Two companies are in the Kohala district, one is at Honokaa, and the others are at Paauhau, Honoumuli and Paiahou.

THEATRICAL OFFERINGS DESERT SCENES IN 'THE ARAB'

Besides adding a new star to the already long list that is classed as "regulars" by the management of the Liberty theater, "The Arab" is offering for the first half of the current week also brings a "graduate" star—one of the young women who has had a number of minor parts in Lasky productions, but who is entrusted with a stellar role for the first time. Incidentally she "makes good" big. The new star is Edgar Selwyn, while the graduate is Gertrude Robinson.

Selwyn has long been known as one of the prominent stage stars of the country. From Broadway to O'Farrell street his name has been blazoned in electric lights—as a matter of fact in this same offering. He is a polished and finished actor-author-manager. In his present appearance he is starring

himself in a drama that was written by himself and in the silent drama his work is equally as good as it was on the speaking stage.

Miss Robinson, as the daughter of an American missionary to Syria, develops a gift of combining dramatic ability with a rare personal sympathetic appeal.

"The Arab" is probably the most spectacular offering to the silent drama ever made by the Lasky studios. The great desert is drawn upon for the scenes that are thrilling and realistic.

"The Romance of Elaine" continues a popular offering with Liberty fans, while "Pathe Weekly" affords a glimpse at happenings of which the newspapers have told the public in the recent past.

'BELL BOY' IS NEW BIJOU OFFERING

"The Bell Boy" is the name of the new comedy to be presented by Raymond Teal's big song show at the Bijou theater tonight, being the 18th program to be presented by the big aggregation of merry-makers.

The producers seem to never run out of new novelty ideas as something different is offered at each change of program.

"The Bell Boy" has a plot laid in a fashionable hotel, and there are lively situations and clever dialogue to keep the piece moving to a lively finale. The musical numbers and dance ensembles in this show are forecasted to stand out above those of other shows presented here.

CLOSE POPULAR FOR TWO NIGHTS

Non-arrival of feature films from the coast in time for an opening today has compelled Manager Hughes to keep the Popular theater dark until Wednesday night. The pictures will be here for the mid-week opening, however, and due announcement will be made of the features.

Until about December 3 the Popular will be run as a strictly first-class photo-play house. Then will come the first high-class vaudeville attractions, to be furnished to the Popular by the Fuller-Brennan circuit of Australasia; in fact, the theater now is a part of the great Australasian chain of houses controlled by the Fuller-Brennan Company.

When the first acts arrive Manager Hughes will inaugurate a combination vaudeville and moving picture bill that promises well.
